

Say goodbye to those unpleasant odours and stains - **E-Liminate** them!

**GreenPro**
environmentally responsible solutions

E-Liminate

Enzyme Detergent De-Odouriser

Developed as a specific detergent deodouriser blend containing a selected blend of synthetic enzymes, pleasant fragrance, surfactant and penetrating wetting agents.

The unique enzymatic activity of GreenPro E-Liminate detergent deodouriser allows for quick penetration, digestion, and removal of the toughest soils and odours.

- pH of 7.5-8.5
- E-Liminate can be disposed of down your drains, it will break down organic matter on it's way.
- Suitable for all surfaces.
- Does not mask an odour it eliminates it! While removing any staining on the surface.
- Safe to use with septic waste tank systems, assisting with organic break down.

GreenPro E-Liminate is packaged in RTU Trigger Spray 750mL bottles, 6 per carton with trigger sprayers.

Code: 22957-750
