

# GreenPro

environmentally responsible solutions

## Food Service

Safe, Fast-Acting cleaning Solutions  
with Environmental Approval

- Easy to use: Concentrated products with high dilution rates, while reducing the risk of accidental exposure from handling and storage.
- Proven Effective. The formulations of **GreenPro** line of products have a 15-year track record of top-performing cleaning power, from removing stubborn stains to everyday cleaning.
- Cleans all areas. Reduce the number of chemicals on-site with multi-surface and multi-application cleaners. From dishwashers, coffeepots, faucets, to grease traps and drains, **GreenPro** has ready-to-use solutions to clean all areas of your food service business.
- Safe ingredients. Cleaning staff are particularly susceptible to health problems from frequent exposure to toxic cleaning chemicals. Many **GreenPro** products contain no harsh chemicals, like ammonia, phosphates, or alcohol. And are readily biodegradable, non-abrasive, and have little-to-no VOCs.
- Supports sustainability goals: All of the **GreenPro** products carry the **Recognised** logo, which helps meet LEED standards.

PROVIDING THE  
ENVIRONMENTAL  
SAFETY YOU NEED

- ✓ Environmental Credential Scheme
- ✓ Safer choice-no harsh ingredients, safe on drains and septic systems
- ✓ Readily biodegradable
