

SYNERGEE

WASH-CONDITION-POLISH

Aquashine Synergiee is a unique premium 'combination' vehicle wash detergent.

Synergiee has been formulated to provide a powerful clean with an effective conditioning polish. The secret to the Synergiee performance is a careful blend of 'synergistic' high foam intense cleaners with subtle conditioning agents to provides a smooth clean shine every time.

Aquashine Synergiee provides a clean, silky-smooth, hydrophobic, and polished surface that enhances the vehicle's gloss and paintwork. Synergiee creates a longlasting film which protects from harmful contaminates such as industrial fallout, acid rain, common road grime, insects, and bird droppings. Accelerates drying, gives high shine, is long-lasting, and importantly: is safe for use on all exterior surfaces of vehicles.

Aquashine Synergiee is a cost-effective formulation. Dosage can be varied to suit application equipment and provide the best foam generation and conditioning / polish effect. Apply in the range of 1:20 to 1:80, dependent on vehicle degree of soiling and routine cleaning frequency.

Features/Benefits:

- Concentrated Formula
- High Foaming
- Washes, Conditions and Polishes
- Free Rinsing
- Excellent Protection of paint and Clearcoat Finishes
