

**TOUGH, BUT GENTLE**

# WORKMAN

**CITRUS SOLVENT BASED HAND CLEANSER**

**WORKMAN** is a lemon, semi gel emulsion hand cleanser that surpasses most other types of "non hydrocarbon" citrus solvent containing products. **WORKMAN** contains a ECO polybead that assists with the "scrubbing" when removing heavy "ground in" soils.

PREVIOUSLY AQIS APPROVED, CATEGORY 9 FOR USE AS A LIQUID HAND SOAP TYPE B.

- Semi gel allows for the control of dispensing.
- High but not excessive level of citrus derived solvent to help cut through the toughest oil and grease.
- Meets current pollution requirements of using hand cleansers that don't contain hydrocarbonsolvents.
- Added lanolin helps to prevent dry skin and guards against winter chapping.
- WORKMAN contains active agents to reduce dermatitis and other skin infection.
- The addition of emollients help to condition skin, leaving it comfortably soft and clean.
- Dedicated dispenser available for 4L packs, 5 Litres and 20 Litres.
