LiquiKleer

Liquid Hand Sanitiser

Product Description:

Liqui Kleer is a liquid hand sanitiser designed to provide instant antibacterial protection. Formulated with 73% alcohol, it effectively helps reduce bacteria on the skin without the need for water. Ideal for maintaining hand hygiene in a wide range of environments.

Product Benefits:

- Fast acting antibacterial formula
- Contains 73% alcohol for effective germ control
- No water required for use
- Quick drying and convenient
- Suitable for frequent use
- Ideal for workplace, public and personal hygiene

Application:

Apply a small amount of Liqui Kleer to the palm of the hand. Rub hands together thoroughly, covering all surfaces including between fingers and around nails. Allow to air dry. Do not rinse. Use as required to maintain hand hygiene.

SHELF LIFE:
