

# Fermabrite

## wine tank cleaner

Save on

**Water - Chemical - Labour**

Fermabrite is the leading non-caustic powdered wine tank cleaner and general cleaning detergent.

A free flowing off white powder blend of mild alkaline salts combined with low foaming high activity surfactants, powerful chelating, water conditioning and anti corrosive materials. This unique combination synergistically improves Fermabrite's stain removal power.

- **Newcastle - Formulated, Manufactured, Marketed**
- **1 step tank cleaner – eliminates neutralisation when using caustic**
- **Low Foam High Activity - improves draining and rinsing**
- **Meets Food Safety requirements – Fit for Purpose HACCP programs**
- **NON tainting Formula – streak & spot free clean after fresh water rinse**
- **Wastewater Friendly – reduces BOD & 20% less sodium discharge V caustic**
- **Premeasured Packaging - 5kg poly packs improves cost control**
