

Spindle Wash

Lubricating Detergent for **Cotton Pickers**

Spindle Wash is a comprehensive blend of biodegradable surfactants to lubricate and clean the picking spindles on cotton picking equipment.

- **Odourless - will not contaminate cotton with offensive odour**
- Biodegradable - meets Australian biodegradable standard AS 4351-1996
- **Neutral pH - will not strip oils unnecessarily from cotton or if handled unintentionally by the operator**
- Removes and prevents the build-up of sap and dirt.
- **Moistens and cleans spindles, works effectively even in hard water**
- Reduces anti-wear, inhibits rust, corrosion and provides oxidation protection.
