Reflekt

Infused Carbon/Ceramic Protectant

Product Description: REFLEKT is a premium finishing product specifically engineered for use in automatic and tunnel car wash systems. Designed as the final protection stage in the wash program, this infused carbon and ceramic formula enhances gloss, promotes rapid water beading, improves drying performance, and leaves a slick, protected finish on vehicle surfaces.

Key Features & Benefits

- Final rinse protection technology
- Advanced carbon + ceramic infusion
- Enhances gloss and hydrophobic performance
- Improves drying efficiency
- Low-foam formula for automatic systems
- Compatible with tunnel and in-bay wash equipment
- Supports premium wash package upgrades

Performance Advantages

- Enhances water beading and sheeting
- Improves air dryer effectiveness
- Reduces residual water on surfaces
- Delivers showroom-style gloss
- Helps maintain cleaner appearance between washes

Suggested Usage Rates

- Premium Protectant Program: 5–15 mL per vehicle
- Express Wash Program: 5–10 mL per vehicle
- Ceramic Upgrade Package: Adjustable for desired gloss level

- **Review site specific requirements with you Castle Technical Representative**
