

A SAFE alternative for concrete removal

Agi-Safe + Agi-Gel

Agi-Safe + Agi-Gel is Castle's safe alternative for concrete cleaning and removal that replaces dangerous hydrochloric and other commercial acidic formulation. **Agi Safe** dilution rate is up to 1:4. **Agi-Gel** is a thickened ready to use product.

Dispenser Options Available

Both products are designed to efficiently remove concrete splash and cement dust residues from vehicles and all other surfaces commonly found in the premix concrete industry, including pre-mix concrete agitators, level screeders and concrete pumps.

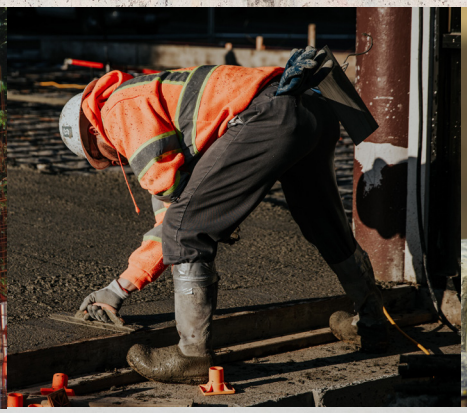

Available sizes
20L
220L
1000L

Features + Benefits

- Organic salt-based - safe alternative to harsh, dangerous acids
- In-use application is non-hazardous
- Targeted cleaning - only reacts with cement and concrete residues
- Contains a rust inhibitor - reduces risk of corrosion
- Detergency leaves a streak-free finish
